

# Finding your worklist in Peoplesoft 9.0 or Peoplesoft Financials

Each user of Peoplesoft 9.0 Student/HR has a personal worklist that will display transactions that are pending. Some examples include:

- Payroll Authorizations to Approve
- Payroll Authorizations that have been sent back for revision
- Expense Reports/Travel Authorizations to approve
- Expense Reports/Travel Authorizations that have been sent back for revision

Although the majority of these tasks generate an email notification, it's a good idea to get in the habit of checking your worklist. You can find your worklist in the upper right hand corner of your main Peoplesoft 9.0 Student/HR screen and Peoplesoft Financials Screen.
