

# Create a Forum

This tutorial will show you how to create a discussion forum in Moodle.

## Step-by-step guide

To create a forum:

1. Click 
2. Click  within the topic area you would like to add the forum into.
3. Select  then click 
4. You must at least enter a Forum name and should also check the Forum type. For more information on selecting the right Forum type for your activity, view this: [Forum Types](#).
5. After you've finished setting up the Forum, click  to view it.
