

Campus TV Service

On Tuesday, July 12, 2016 Time Warner Cable will be converting the Hill Campus cable TV service to digital HD. This conversion will provide a digital HD signal along with an improved channel lineup. You will need to take a few simple steps (listed below) to reconfigure your TV to receive this new service. Once those steps are completed, you should have access to the new channel lineup which consists of 75+ digital HD TV channels, Showtime premium channel and 45 digital music channels.

If you have any troubles with your on-campus cable TV service following this conversion, please contact the IT HelpDesk by phone, 315-268-HELP (x4357), or by email, helpdesk@clarkson.edu.

Step-by-step guide

To setup your TV to receive the new digital HD cable line-up, you will need to:

1. Make sure your TV is set to "cable" and not "antenna".
2. Through the TV menu functions perform an auto-scan for channels (this may take 10-20 minutes, depending on your TV)
